*BREAKOUT SESSIONS

MORNING WORKSHOPS

11:00 AM – 12:30 PM

Elected Officials' Dialogue: Paying for it All

Discuss new and under-utilized funding opportunities, and the potential for collaborative fund-raising.

SB 375: A Bottom-Up Approach

Design a bottom-up involvement process for region-wide participation in SB 375. This session is designed to build upon discussion from ABAG's upcoming April 23rd General Assembly, which will delve into SB 375.

General Plans or Climate Action Plans: Which Way to Go?

Explore the relationship between general plans and climate action plans and how to streamline the CEQA process.

Bay Area regional agencies working together on climate protection

BAY AREA
AIR QUALITY
MANAGEMENT
DISTRICT

METROPOLITAN

Association of
Bay Area Governments

Rising Seas: Preparing for Climate Change

Introduction to vulnerability assessments and calculating your community's resiliency to climate change.

Equip Your Climate Action Toolbox

Preview the newest tools to assist in developing climate action plans and accelerating implementation.

AFTERNOON WORKSHOPS: 2:30 PM – 3:45 PM

Elected Officials' Dialogue: Technology and the Green Economy

Discuss how to attract green technology companies, reinvent existing businesses, and create a green-collar workforce.

Come and Get it: Sustainable Financing Districts

Explore how BerkeleyFirst and other models for financing solar and energy efficiency could work in your community.

Housing as a Key Tool to Reduce Community Emissions

Examine prescriptive and performance-based methods to reducing energy use, and the potential for a regional approach.

The Role of Pricing in Reducing VMT

Discuss parking policies and other strategies for making communities less car-dependent.
